3rd International Symposium on Bio, Organic & Nano Electronics

ISBONE 2017

December 16 - 18, 2017

Organized by

Key Laboratory for Organic Electronics and Information Displays (KLOEID) & Jiangsu Key Laboratory of Biosensors, Institute of Advanced Materials (IAM) and Synergetic Innovation

Center for Organic Electronics and Information Displays, Nanjing University of Posts and Telecommunications

Dear Prof.,

On behalf of the Organizing Committee, I sincerely invite you to attend and deliver an academic presentation on your interests of research at the **3rd International Symposium on Bio, Organic & Nano Electronics (ISBONE-2017)**, which will be held on December 16-18, 2017 in Nanjing, China.

ISBONE-2017 is intended to stimulate discussions on the very forefront of researches in advanced nanomaterials and aims at exchanging the scientific progress and sharing experience on the following topics (but not limited):

- Conductive polymers and molecules for OLED, OPV, OTFT and OFET
- Information storage
- Biomaterials and devices for biological and clinical applications
- Hybrid molecular/semiconductor electronics
- One and two dimensional nanomaterials
- Advanced molecular electronics

Therefore, **ISBONE-2017** will not only be a multidisciplinary forum providing scientists from the worldwide scale a first-hand communication and discussion

platform to present fundamental aspects of current achievements and future directions for research and applications in **Bio, Organic & Nano Electronics**, but also an opportunity to make friends, exchange creative ideas and share successful experience in the research areas described above.

We hope that the scope of this symposium will interest the scientific community, the industry and the general public. I wish to extend my warm welcome to you for your attendance of the **ISBONE-2017** and share the most recent scientific insights with all of us.

Your registration fee will cover the costs of food and accommodations. Please confirm your attendance by replying with the completed **Registration Form** below, the title and abstract of your presentation no later than November 25, 2017 via e-mail to iamsymposium@njupt.edu.cn, so that we can make arrangement accordingly.

Looking forward to meeting you in Nanjing!
