Dear Prof. Gao,

**Re: Invitation for “The 11<sup>th</sup> Cross-Strait Workshop on Nano Science and Technology (CSWNST-11)”, 14-18 December, 2014, City University of Hong Kong, Hong Kong SAR**

I am pleased to inform you that **The 11th Cross-Strait Workshop on Nano Science & Technology (CSWNST-11)** will be held in Hong Kong on 14-18 December 2014. As an eminent scientist in this area, [you are cordially invited to give an invited talk in the workshop.](#)

The workshop aims to provide a forum for researchers who are actively involved in the research on nanoscience and nanotechnology to disseminate their latest research results and development achievements.

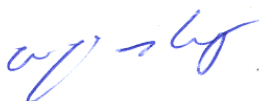

The program of the Workshop will cover the recent research and development of:-

- Nanomaterials, nanoscience and nanotechnology for energy, biomedical, environment, chemical, mechanical, electronics and optoelectronics areas, and theoretical modelling;
- Functionalization, surface modification, and chemistry of nanomaterials;
- Processing and characterization of nanomaterials;
- Control and manipulation of nanostructures;
- Theoretical modeling and computation in the above areas, and etc.

We hope you would accept our invitation and look forward to hearing from you.

Should you have any enquiries, please feel free to contact Workshop Secretariat by email: [CSWNST11@cityu.edu.hk](mailto:CSWNST11@cityu.edu.hk)

Yours sincerely,

**W.J. ZHANG**  
Workshop Chairman, CSWNST-11

Professor of Materials Science & Deputy Director, Center Of Super-Diamond and Advanced Films  
City University of Hong Kong
