Dear Professor Gao,

The 1<sup>st</sup> International Energy and Environmental Materials Forum (**IEEMF**) & 3<sup>rd</sup> Inorganic and Nanomaterials Forum (**INF**) will be jointly held at the beautiful coastal city of Gold Coast, Queensland State, Australia during 2<sup>nd</sup>–6<sup>th</sup> February 2016. The forums are used as an interactive platform to gather leading scientists in the related fields for exchanging ideas and debating important scientific questions and future directions of energy and environmental materials.

A special pre-conference workshop will be held between **28<sup>th</sup> and 30<sup>th</sup> January 2016** at Gold Coast Campus, Griffith University, to discuss the possibility of establishing an **International Research Alliance of Energy and Environmental Materials (IRAEEM)**. Between **31<sup>st</sup> January and 1<sup>st</sup> February**, we have organised for all pre-conference workshop attendees to visit Nathan Campus, Griffith University, Queensland University of Technology and University of Queensland at Brisbane.

IEEMF&INF is a by invitation only conference. On behalf of the organising committee, Professor Rose Amal, Professor Dan Wang and I jointly invite you to present an Invited/Keynote presentation at IEEMF & INF, and attend the pre-conference workshop.

**IMPORTANT NOTES:**

Registration & Abstract submission are **NOW** open and will be closed on **15<sup>th</sup> December 2015**. Abstract template is available on the conference website.

Please confirm your attendance as soon as possible via the conference website:
